

Invitation to Participate in the Written Auction “Sale of Used Trolleybuses”

Aktsiaselts Tallinna Linnatransport (hereinafter TLT) is organizing a written auction for the sale of thirty-eight (38) used trolleybuses. The auction is divided into two parts based on the length of the trolleybuses:

Part 1: 12-meter trolleybuses (21 units);

Part 2: 18-meter trolleybuses (17 units).

TLT invites you to submit a bid for the written auction under the terms and conditions specified in this proposal for submission of a bid (hereinafter Proposal):

1. Specifications and condition of the trolleybuses being sold by TLT

The specifications and condition of the used trolleybuses are provided in **Appendix 1**.

2. Deadline and requirements for submitting bids:

- 2.1. The deadline for submitting bids is no later than **09 December 2024 at 16:00**.
- 2.2. Bids must be submitted via email to **Merilii.Laanepere@tlt.ee** with the subject line: *“Sale of used trolleybuses – Do not open before 09 December 2024 at 16:00”*.
- 2.3. The bid must comply with the terms of this Proposal and must not be misleading in any way.
- 2.4. Bids must be submitted in **Estonian or English**.
- 2.5. The bid must be submitted in **PDF format**, digitally signed by a person authorized to represent the bidder.
- 2.6. Bids can be submitted for one or both parts of the auction.
- 2.7. The bid must include the following information:
 - 2.7.1. Completed bid form for Part 1 and/or Part 2 (Appendix 2 and Appendix 3).
 - 2.7.2. If purchasing as scrap vehicles, the bidder must submit a valid environmental permit allowing the bidder to handle scrap vehicles along with the bid.
 - 2.7.3. The bid must indicate the price per trolleybus and the total price in euros, excluding VAT, with two decimal places. If VAT applies (for sales within Estonia as vehicles), the bid must also include the total price with VAT, with two decimal places, entered into the corresponding bid form (Appendix 2 and Appendix 3).
 - 2.7.4. The bidder must indicate on the bid form (Appendix 2 and Appendix 3) the time in calendar days required to transport the trolleybuses from the seller’s location.
 - 2.7.5. The bid must remain valid for at least **14 (fourteen) calendar days** from the bid submission deadline.

3. Requirements for bidders:

- 3.1. The bidder must not have any tax arrears at the time of bid submission.
- 3.2. If purchasing as scrap vehicles, the bidder must possess a valid environmental permit granting the right to handle scrap vehicles.

4. Evaluation of bids:

- 4.1. TLT will evaluate all bids that comply with the requirements (including any conditions agreed upon during negotiations).
- 4.2. Bids will be evaluated separately for each part based on the total price of the trolleybuses as follows:
- 4.3. Bid price – up to **100 points**. The bid with the highest total price for Part 1 or Part 2 will receive the maximum score. Other bids will receive proportionally fewer points, calculated using the formula:
“highest value” / “bid value” × 100.
- 4.4. In the event of equal scores, the winning bid will be determined based on the shortest transport time for removing the trolleybuses from the seller’s location.

5. Appendices:

TECHNICAL DESCRIPTION

1. General Conditions

- 1.1. Tallinna Linnatransport Ltd is selling thirty-eight (38) used trolleybuses through an auction.
- 1.2. The trolleybus auction is divided into two parts based on the length of the trolleybuses:
- 1.2.1. **Part 1:** 12-meter trolleybuses (21 units);
- 1.2.2. **Part 2:** 18-meter trolleybuses (17 units).
- 1.3. All trolleybuses sold in the auction are located at and must be collected from **Paldiski mnt 48c, Tallinn**.
- 1.4. If the trolleybuses are not being dismantled, the Buyer must remove TLT logos and garage numbers within one (1) month of purchasing the trolleybuses.

2. Submission of Bids, Determination of the Winner, and Handover of Trolleybuses

- 2.1. When submitting a bid, the price per trolleybus must be offered.
- 2.2. Before submitting a bid, it is possible to inspect the trolleybuses on-site. To arrange an inspection, an email must be sent to **merilii.laanepere@tlt.ee**.
- 2.3. Bidders must consider that these are used trolleybuses, which have been decommissioned in Tallinn due to their poor condition and are no longer viable for repairs.
- 2.4. Photos of all trolleybuses are available on the TLT website:
<https://www.tlt.ee/en/procurement/advance-information-about-the-sale-of-trolleybuses/> .
- 2.5. The Seller does not provide technical documentation for the trolleybuses.
- 2.6. After receiving the notification of a successful bid, the winner must remove the trolleybuses from the Seller's premises within the timeframe indicated on the bid forms. The costs of removal, preparatory works, and, if necessary, transportation across borders are the responsibility of the Buyer.
- 2.7. The seller does not have the capability on-site to load the trolleybuses onto the buyer's transport. Therefore, if necessary, the buyer must also arrange a loading service of trolleybuses along with transportation.
